# Fridays at the APP

**Date: October 5, 2012**

**Time: 5:30 pm**

**Film: *Songcatcher***

**Venue: Appalachian Center**

The UK Appalachian Center announces Fridays@APP, a film series and student-led discussion forum for the academic year 2012-2013. Fridays@APP will foster spirited intellectual discussion and plenty of entertainment.

Fridays@APP is a forum for students, facilitated under guidance provided by the Appalachian Center. Each Friday we will discuss key issues and events of the day pertaining to Kentucky, Appalachia, and the world at large. The purpose of the series is to provide an opportunity outside of the classroom for networking and for discussion of student-suggested topics and issues. Please join us any Friday you like.

The venue each Friday will be the Appalachian Center, 624 Maxwellton Court (off of S. Limestone, across from the UK Law School), and refreshments will be provided.

Check the App Center website (<http://appalachiancenter.as.uky.edu/>) for announcements of the upcoming film each week. Since the series is student-driven, we will decide each week what to view and discuss the next week.
