## WHAT CAN AN ENGLISH MAJOR DO FOR YOU?

The English curriculum at UK favors a liberal arts tradition that provides you with a broad skill set and prepares you for success in a variety of careers. English is a powerful and flexible undergraduate degree that leads to numerous career paths. Many students choose professions in education, and many more find employment in fields such as communications, entertainment, business, and law.

## ENGLISH MAJORS ARE ABLE TO:

- Read and interpret complex texts
- Think critically and grasp nuance
- Do research using digital and traditional sources
- Build arguments based on evidence
- Put things they read in a variety of cultural contexts
- Interpret the world around them with sophistication
- Write with style and elegance

## ENGLISH MAJORS GO ON TO BECOME/WORK IN:

- Advertisers
- Writers
- Lawyers
- Teachers
- Editors
- Information technologies
- Filmmakers
- Business executives
- Public-relations managers
- Web developers
- Librarians
- Publicists
- Doctors
- Diplomats
- Activists
