Section 2. The Council is not a forum for personal grievances or complaints.

Article 3. Membership

Section 1. The Staff Council shall be composed of twelve voting members, representatives from each campus district (North, Central and South) with equal representation based on population percentages and one at-large representative, with the Dean of the College of Arts and Sciences or his/her designee staff serving as Ex-Officio members. The Council Chair reserves the right to invite staff leaders to meetings to provide expertise or guidance. (Definitions of districts are outlined in the Standard Operating Procedures, hereafter referred to as the SOP.)

Section 2. All regular staff employees of the College, full or part-time, are eligible to serve after a continuous three month period of employment in the College of Arts and Sciences.

Section 6. A Council representative's term of office shall run from July 1 through June 30, to ensure consistency through the entire academic year.

Section 7. If a sitting elected council member is no longer able to serve, a representative will be chosen (per guidelines addressed in the SOP).

Section 2. The Council may examine and make recommendations to the Dean of the College of Arts and Sciences, or his/her designated representative, on any staff issues within his or her jurisdiction; however, the Council's primary focus shall be on those matters which have an impact on the working conditions and employment of the entire College's staff members.

The motion will carry with a two-thirds majority vote, provided that the amendment has been previously submitted in writing to the Council membership.
