Course Web Page: access via Canvas

Recitation Goals: To fill in gaps in the student's knowledge from lecture by allowing students to work in groups with their peers and receive individual attention from the recitation instructor.

Attendance: A sign-in sheet will be given during each class for attendance. If you are more than 10 minutes late to class, points may be taken off for attendance. Not participating in class can also result in points taken off for attendance. **Each student is allowed up to two unexcused absences from recitation.** Thus, a student can have up to two unexcused absences and still earn all 10 points for attendance.

Recitation Worksheets: Students will work in groups on recitation worksheets each day. The worksheets can be found on the course webpage. The recitation instructor will bring copies of the worksheets to class each day. The worksheets will not be graded, but students are expected to work on the worksheets to earn full points for attendance.

Quizzes: Quizzes will be given on Thursday of each non-exam week starting the second week of classes. If you miss a quiz due to an excused absence, then you can make it up. Quiz solutions are posted on the course website within one week after each recitation quiz. Thus, students must arrange a time with the recitation instructor to make up the quiz before the solutions are posted.

Excused Absences: University Senate Rule 5.2.4.2 defines the following as acceptable reasons for excused absences:

1. serious illness;

2. illness or death of family member;
3. University-related trips;
4. major religious holidays;
5. other circumstances your instructor finds to be “reasonable cause for nonattendance”.

If you have an excused absence, you should inform the instructor as soon as possible (at least within one week of the absence) so that arrangements can be made to make up the missed work. Documentation will be required for excused absences.

Preferred Contact Method: If you need to contact me outside of class, then please send me an email using your uky email address. Typically, you can expect a response within 24 hours.

Academic Integrity, Cheating, and Plagiarism: Please see the primary course syllabus on Canvas for the policy on academic integrity.

Special Accommodation: Students need documentation from the DRC to receive accommodations on exams and quizzes. If you have documentation, you should turn it in to both your lecturer and your recitation instructor.
