

CURRICULUM VITAE

September 2022

Mark T. Fillmore, Ph.D.
Professor
Department of Psychology
College of Arts and Sciences
University of Kentucky
Lexington KY 40506-0044

Phone: (859) 257-4728

E-mail: fillmore@uky.edu

Link: <http://psychology.as.uky.edu/users/mtfill2>

ACADEMIC BACKGROUND:

Ph.D.	Psychology University of Waterloo, 1993
M.A.	Psychology University of Waterloo, 1990
B.A.	Psychology University of New Brunswick, 1988

POSITIONS AND APPOINTMENTS:

2007 -	Professor, Department of Psychology, College of Arts and Sciences, University of Kentucky. <i>Cross Appointments, Department of Psychiatry, Department of Behavioral Sciences, College of Medicine</i>
2004 - 2007	Associate Professor, Department of Psychology, College of Arts and Sciences, University of Kentucky
1999 - 2003	Assistant Professor, Department of Psychology, College of Arts and Sciences, University of Kentucky
1997 - 1999	Senior Postdoctoral Research Fellow, Ontario Mental Health Foundation.
1993 - 1999	Research Professor, Adjunct Assistant Professor, University of Waterloo

CAREER AND ACADEMIC HONORS:

2021	University of Kentucky William B. Sturgill Award for Outstanding Contributions to Graduate Education
2012	University of Kentucky Research Professor
2004	Elected Fellow, American Psychological Association
1990 - 1993	Natural Sciences and Engineering Research Council of Canada Graduate Scholarships
1990 - 1992	Ontario Graduate Scholarships
1990	University of Waterloo Alumni Association Gold Medal for Outstanding Achievement in Graduate Research
1989 - 1990	University of Waterloo Graduate Scholarships

RESEARCH GRANTS: AWARDED

2021-2025	<i>Impaired Risk Awareness during Intoxication in Recidivist DUI Offenders</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01 AA028447-01. Principal Investigator
2020-2025	<i>Estradiol Effects on Behavioral and Reward Sensitivity to Alcohol across the Menstrual Cycle.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01 AA027990. Principal Investigator
2019-2024	<i>Interdisciplinary Training in Alcohol Research.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). T32 AA027488. Principal Investigator
2013-2017	<i>Behavioral Dysregulation and Alcohol Sensitivity in Risky Drivers.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01 AA021722. Principal Investigator
2009-2014	<i>Alcohol Tolerance and Behavioral Disinhibition in Humans.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01 AA018274. Principal Investigator
2010-2019	<i>Acute Effects of Alcohol and Energy Drinks on Behavioral Control.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R15. Co-investigator. C. Marczinski (PI)
2006-2011	<i>Mechanisms of Tolerance and Priming in Humans.</i> National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01 AA012895. Principal Investigator.

- 2006-2009 *Neurocognitive Consequences of Adolescent Drug Use.* National Institute on Drug Abuse (NIDA). R21 DA021027. Principal Investigator.
- 2001-2006 *Cognitive Processes in Cocaine and Polydrug Abuse.* National Institute on Drug Abuse (NIDA). R01. DA014079. Principal Investigator.
- 2001-2004 *Cognitive Mechanisms of Alcohol Abuse.* National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01. AA012895. Principal Investigator.
- 2000 - 2002 *Binge Drinking, Alcohol, and Cognitive Processes.* National Institute on Alcohol Abuse and Alcoholism (NIAAA) R03. AA012738
Principal Investigator.
- 1997 - 1999 *Alcohol and Impaired Inhibitory Self-control: Environmental and Personal Risk Factors.* Alcoholic Beverage Medical Research Foundation. Baltimore MD. Principal Investigator.
- 1997 - 1999 *Inattention and Impulsivity: Processes and Treatment Implications for Behavioral Disinhibition.* Ontario Mental Health Foundation, Toronto, Canada. Principal Investigator.
- 1996 *Information processing under alcohol: Impairment, recovery, and tolerance of processing accuracy and attention.* Alcoholic Beverage Medical Research Foundation. Baltimore MD. Co-investigator.
- 1993 - 1995 *Expectations about Alcohol Effects: Relationships to Behavioral Impairment and Drinking Habits.* Alcoholic Beverage Medical Research Foundation. Baltimore MD. Co-investigator.

CONSULTANT ON FUNDED RESEARCH PROJECTS:

- 2010- 2016 *Evaluation of an intranet-based alcohol prevention program in middle school.* National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01. Principal Investigator: Judy Andrews, Ph.D. Oregon Research Institute.
- 2010- 2013 *Neurocognition and performance after moderate drinking in older adults.* National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01. Principal Investigator: Sara Jo Nixon, Ph.D. University of Florida
- 2010- 2015 *Acute alcohol effects on impulsivity and risk for drinking and driving.* National Institute on Alcohol Abuse and Alcoholism (NIAAA). R01. Principal Investigator: Denis McCarthy, Ph.D. University of Missouri-

2010-2013 Columbia
High precision web-based cognitive and neuropsychological testing for substance abuse. National Institute on Drug Abuse (NIDA). SBIR Contract. Principal Investigator: Sean Draine, Ph.D. Millisecond Software LLC. Seattle WA.

OTHER FUNDED RESEARCH ACTIVITIES:

2014-2015 Mentor/Advisor: National Institute of Health (NIH) – Kentucky Biomedical Research Infrastructure Network (KBRIN). KBRIN-IDeA Grant. *The Effects of Energy Drinks on Cardiovascular Measures and Sport Performance*. Principal Investigator: Will Peveler, Ph.D.

2012-2017 External Advisory Member: NIAAA P50 AA021099. *Translational Studies on Early Life Stress and Vulnerability to Alcoholism*.

2007 - 2018 Co-investigator: Center for Prevention Research: NIDA P50 DA 05312. Principal Investigator/Director: Mike Bardo, Ph.D.

2000 - present Training Faculty: *Research Training in Drug Abuse Behavior*. National Institute on Drug Abuse (NIDA). T32-DA07304. Principal Investigator/Director: Craig R. Rush, Ph.D.

2000 - present Faculty Associate: Multidisciplinary Research Center on Drug and Alcohol Abuse. Lexington KY. Principal Investigator/Director: Sharon Walsh, Ph.D.

2005 – present Faculty Mentor: University of Kentucky, UK Building Interdisciplinary Research Careers in Women’s Health (BIRCWH). Principal Investigator/Director: Tom Curry, Ph.D.

EDITORIAL AND REVIEW ACTIVITIES:

Review Activities:

2022 National Institutes of Health. Review Panel for ZDA1 SKM-D (01) S NIDA and NIAAA Institutional Research Training Grant (T32/T35)

2021 *National Institutes of Health*. Review Panel for ZAA1 GG (32) L NIAAA Individual Fellowships (F30, F31, F32)

2021 National Institutes of Health. Review Panel for ZDA1 SKM-D (01) S NIDA and NIAAA Institutional Research Training Grant (T32/T35)

2020 *National Institutes of Health*. Committee Chair for Review Subcommittee Conflict Panel, NIAAA. ZAA1 DD (02)

- 2015 – 2021 *National Institutes of Health*. Center for Scientific Review: Cognition and Perception. Initial Review Group, Chartered Member.
- 2015 *National Institutes of Health*. Initial Review Group. Clinical, Treatment and Health Services Research Review Subcommittee. NIAAA. AA-3.
- 2014 *National Institutes of Health*. Initial Review Group. Biobehavioral and Behavioral Processes. Cognition and Perception (CP)
- 2012 - 2013 *National Institutes of Health*. Drugged Driving: Future Research Directions: Phases I and II. Small Business Innovation Research.
- 2012 *Center for Disease Control and Prevention*. CE12-006, U01 Alcohol-related Motor Vehicle Injury Research. Special Emphasis Panel.
- 2012 *National Institutes of Health*. Adult Psychopathology and Disorders of Aging (APDA). Member Conflict Panel.
- 2011 *National Institutes of Health*. Child and Adolescent Psychopathology. ZRG1 BBBP-D (02) M. Member Conflict Panel.
- 2006 - 2010 *National Institutes of Health*. Adult Psychopathology and Disorders of Aging (APDA). Initial Review Group, Chartered Member
- 2009 *National Institutes of Health*. Initial Review Group *ad hoc* reviewer for: Special Emphasis Panel/Scientific Review Group 2009/10 ZAA1 DD
- 2005 *National Institutes of Health*. Initial Review Group *ad hoc* reviewer for:
- Adult Psychopathology and Disorders of Aging (APDA)
- 2004 *National Institutes of Health*. Initial Review Group, *ad hoc* reviewer for:
- Adult Psychopathology and Disorders of Aging (APDA)
- Biobehavioral and Behavioral Processes. Cognition and Perception
- NIDA/E. Drug Abuse Treatment
- NIDA. Special Emphasis Panel. B/START
- Special Emphasis Panel - RFA: Cognitive Processes in Adolescent Drug Abuse
- 2003 *National Institutes of Health*. Initial Review Group, *ad hoc* reviewer for: NIDA-K, Training and Career Development Subcommittee
- 2003 *Ontario Mental Health Foundation*. Intermediate Research Fellowships. External Reviewer.
- 2002 *National Institutes of Health*. Special Emphasis Panel Reviewer for RFA AT-02-001, The Placebo Effect in Clinical Practice.
- 2002 *National Institutes of Health*. Initial Review Group, Temporary Member for Biobehavioral and Behavioral Processes (4). Cognition and Perception.
- 2002 *Department of Veterans Affairs*. External Reviewer

Editorial Board Member:

- Psychology of Addictive Behaviors*: 1999-present.
- Journal of Studies on Alcohol and Drugs*: 2000 - present
- Drug and Alcohol Dependence Reports*: 2021-present
- Experimental and Clinical Psychopharmacology*: 2001 – 2006

Ad Hoc Reviewer for (partial list):

Journal of Abnormal Psychology
Drug and Alcohol Dependence
Alcoholism: Clinical and Experimental Research
Learning & Behavior
Accident Analysis and Prevention
Psychological Bulletin
Neuroscience and Biobehavioral Reviews

Addiction
Psychopharmacology
Neuropsychopharmacology
Perceptual and Motor Skills
Archives of General Psychiatry
Neuropsychologia
American Journal on Addictions

RESEARCH SOCIETY AFFILIATION:

College on Problems of Drug Dependence
 International Society for Research on Impulsivity
 European Behavioral Pharmacology Society
 The Psychonomic Society
 Research Society on Alcoholism
 American Psychological Association (Elected Fellow):
 Division 28, Psychopharmacology and Substance Abuse
 Division 50, Psychology of Addictive Behaviors

RESEARCH SOCIETY COMMITTEES AND SERVICES

2003- Liaison for Committee on International Relations in Psychology (CIRP) for
 American Psychological Association, Division 28, Psychopharmacology and
 Substance Abuse

2006-2010 Member-at-Large for American Psychological Association, Division 28,

Psychopharmacology and Substance Abuse

UNIVERSITY AND DEPARTMENTAL COMMITTEES AND SERVICES**University**

2020 -	UK Research Advisory Group: Office of the Vice President for Research
2019 -	Neuroscience Research Collaborative Internal Advisory Council
2019 -	Substance Use Priority Research Area (SUPRA) Internal Advisory Board
2016	UK Substance Abuse Task Force
2016	UK Task Force on Policies and Procedures for Centers and Institutes
2008-2010	College Advisory Committee for Promotion and Tenure
2004-	Non-medical IRB Member
2004-2005	UK Summer Research and Major Research Grant Reviewer
2000	Reviewer of submissions for UK's National Conference Undergraduate Research (NCUR)

Departmental

2015 -	Director of Graduate Studies
2011	Chair, IRB Departmental Subcommittee
2010-	Director of Experimental Training
2007-2011	Committee on Diversity
2006-2007	Division Coordinator for Behavioral Neuroscience and Psychopharmacology
2006-2007	Undergraduate Effectiveness Committee Member
2002-2006	Psychology Research Ethics Committee Member
2001-2002	Graduate Student Advisory Committee Member
2000-2001	Member of Departmental Awards Committee
2000-2001	Psychology Research Ethics Committee Member

GRADUATE AND POST-DOCTORAL TRAINING**Students Receiving Graduate Degrees under my Supervision:*****Holley Allen: MS (2020)***

Thesis title: *Acute sensitivity and tolerance to alcohol as predictors of at-risk drinking in humans*

Alexandra D'Agostino: MS (2019)

Thesis title: *Effects of multisensory stop signals on sensitivity to alcohol-induced disinhibition in drinkers with ADHD.*

Ramey Monem: Ph.D. (2018)

Dissertation title: *Attentional bias to alcohol in an in vivo setting*

Nicholas Van Dyke: Ph.D. (2018)

Dissertation Title: *Alcohol-induced impairment of simulated driving performance and behavioral impulsivity in DUI offenders*

Walter Roberts: Ph.D. (2016)

Dissertation title: *Decision-making processes, driving performance, and acute responses to*

alcohol in dui offenders

Jennifer Laude: Ph.D. (2016)

Dissertation title: *Cognitive and behavioral mechanisms underlying alcohol-induced risky driving*

Ramey Monem: MS (2015)

Thesis title: *The effects of alcohol-related visual stimuli on inhibitory control and attentional bias: Testing the roles of classical conditioning and semantic priming.*

Nicholas Van Dyke: MA (2014)

Thesis title: *Acute effects of alcohol on simulated driving performance and self-perceptions of impairment in DUI offenders*

Melissa Miller: Ph.D. (2014)

Dissertation title: *Examining the vulnerability of inhibitory control to the impairing effects of alcohol*

Jessica Weafer: Ph.D. (2012)

Dissertation title: *Attentional bias and alcohol abuse.*

Walter Roberts: MA (2011)

Thesis title: *Drinking to distraction: Does alcohol increase attentional bias in adults with ADHD?*

Melissa Miller: MA (2010)

Thesis title: *The acute effects of alcohol on attentional bias toward alcohol-related stimuli in heavy drinkers.*

Erik Ostling: MA (2010)

Thesis title: *Tolerance to the impairing effects of alcohol on the inhibition and activation of behavior.*

Jessica Weafer: MA (2008)

Thesis title: *Alcohol impairment of inhibitory mechanisms in binge and non-binge drinkers: examining the role of inhibitory control in alcohol abuse*

Ben Abrams: Ph.D. (2006)

Dissertation title: *Alcohol effects on inhibitory mechanisms of visual attention*

Emily Harrison: Ph.D. (2006)

Dissertation title: *The role of skill development in alcohol-induced impairment of driving-related behaviors.*

Emily Harrison: MA (2003)

Thesis title: *The role of expectancy-induced compensatory responses in reducing psychomotor impairment from visual- and alcohol-induced deficits*

Judith Carscadden: MA (1996)

Thesis title: *The role of alcohol-related expectancies in cognitive performance under alcohol and placebo.*

Diane Borsoi: MA (1995)

Thesis title: *The effect of caffeine on component activities involved in information processing.*

Post-doctoral Students Trained under my Supervision:

Cecile Marczinski, Ph.D. (2001-2004)

Sponsored Career Development Mentorship:

K01 AA026893 (Ben Lewis)

Enhancing Recovery Outcomes in Alcohol Use Disorder: Cognitive Training as an Adjunct to Treatment

09/2018-08/2023

Role: Consultant

K01 AA024160 (Julie Patock-Peckham)

Contextual and Intrapersonal Influences on Impaired Control over Drinking

04/01/2016-03/31/2021

Role: Consultant

K01 DA031764 (Zanjani, Faika)

National Institutes of Health/National Institute on Drug Abuse

Community Intervention Research on Prescription Drug Safety in Older Rural Adults

04/01/2012 – 03/31/2017

Role: Co-Mentor

K01 AA021135 (Pedersen, Sarah)

National Institutes of Health/NIAAA

Disinhibition and Acute Response to Alcohol in European and African Americans

04/10/2012-03/31/2017

Role: Co-Mentor

F31 AA026175 (Riley, E)

National Institutes of Health/NIAAA

Intentional personality change: Towards preventing problem drinking

09/14/2017 – 09/13/2019

Role: Co-Mentor

F31 AA023694 (Laude, J)

National Institutes of Health/NIAAA

Intoxication in a Rewarding Environment as a Risk Factor for Alcohol Misuse

08/01/2015 – 07/31/2017

Role: Mentor

F31 AA022263 (Roberts, W)

National Institutes of Health/NIAAA

Interactive Effects of Alcohol and the Environment on Driving Ability in High-risk Drivers

09/01/2013 – 08/31/2015

Role: Mentor

F31 AA021028 (Miller, M.)
National Institutes of Health/NIAAA
Redundant Signal Effect and Alcohol Impairment of Behavioral Inhibition in ADHD and non-ADHD Drinkers
09/01/2012 – 08/31/2014
Role: Mentor

F31AA018584 (Weafer, J)
National Institutes of Health/NIAAA
Alcohol Sensitivity and Abuse Potential in ADHD
09/01/2009 – 08/31/2012
Role: Mentor

Diversity Supplement Award: AA012895-S (Camarillo, M.)
National Institute of Health/NIAAA
Mechanisms of Tolerance and Priming in Humans.
09/01/2007 – 08/31/2009
Role: Mentor/Principal Investigator

Diversity Supplement Award: DA021027-S (Barrios, R.)
National Institute of Health/NIDA
Neurocognitive Consequences of Adolescent Drug Use
09/01/2006 – 08/31/2008
Role: Mentor/Principal Investigator

K01 DA018772 (Lile, JA)
National Institutes of Health/National Institute on Drug Abuse
A Pharmacological Analysis of D9-THC in Humans
06/01/2005 - 05/31/2010
Role: Co-Mentor

Undergraduate Training: Honors Thesis Students

Arial Clark: BA (2016)

Thesis Title: *Adults' risk perceptions of driving under the influence of THC and alcohol*

Rebecca Jude: BA (2010)

Thesis title: *How much is too much? Comparing two definitions of binge drinking as indicators of alcohol-related problems in college students.*

Erik Osling: BA (2009)

Thesis title: *The Role of sensation-seeking as a mediator of alcohol intoxication.*

Tara Davis: BA (2007)

Thesis title: *Inhibitory mechanisms of attention in children with Attention-Deficit Hyperactivity*

Disorder.

Brook Dillon: BA (2005)

Thesis title: *Acute tolerance to the impairing effects of alcohol on mechanisms of behavioral control.*

Chad Berry: BA (1995)

Thesis title: *The effects of alcohol on performance of a rapid information processing task.*

Jayne Downey: BA (1994)

Thesis title: *The effect of caffeine on motor performance.*

Lisa Mulvihill: BA (1993)

Thesis title: *Interaction between expected drug and its expected effect determine placebo to alcohol and caffeine in motor performance.*

SAMPLES OF CONSULTING AND COMMUNITY-RELATED ACTIVITIES:

- Expert witness for U.S. and international legal cases involving the effects of alcohol and other drugs in felony cases, traffic and workplace injury.
- Scientific Advisor of Clinical Research, Alkermes Biopharmaceuticals, Waltham, MA
- Advisory Board Member of Vital Beverages Global Inc. Miami FL.
- Advisory Board Member of the Federal Transit Administration Post-accident Testing Heuristic (PATH) Project to evaluate effects of prescription medication on driving performance of public bus operators. 2008-present.
- Human Psychomotor Performance Software Design Consultant for Life Science Associates Inc. New York, NY. 1999 - Present.
- Scientific Advisor to the National Automobile, Aerospace, Transportation, and General Workers Union of Canada. 1998 - Present.
- Scientific Consultant for the British Broadcasting Corporation (BBC). 2000.
- Scientific Reviewer for Canadian Ministry of Transport. Project Title: Assessing the potential impact of lowering the legal blood alcohol limit to 50 mg% in Canada. 1998
- Vermont Alcohol Research Center, Colchester Vermont. Psychobiological studies of alcohol tolerant drivers. Scientific Advisor. 1991-1994.
- Addiction Research Foundation, Burlington Ontario. Effects of low blood alcohol concentrations on driving ability: A field study. Scientific Advisor/Study Planner. 1989
